Note: Although current law suggests there is a 120-day hold on reducing prices posted by the wholesaler for distribution of beer, that rule is no longer legal or being enforced as a result of an order on January 15, 1999, by Judge Richard Caputo of the United States District Court for the Middle District of Pennsylvania. The order granted a permanent injunction prohibiting the enforcement of several sections of the Liquor Code, including 47 Pa. Cons. Stat. § 4-447. Therefore, the requirement that wholesale prices be reported and if reduced, remain at that level for at least 120 days, is no longer legal or enforced, and prices of malt beverages can be reduced and then raised at any time.
