The Eight Dimensions of WELLNESS

Emotional
Developing skills and strategies to cope with stress.

Environmental
Good health by occupying pleasant, stimulating environments that support well-being.

Financial
Satisfaction with current and future financial situations.

Social
Developing a sense of connection and a well-developed support system.

Spiritual
Search for meaning and purpose in the human experience.

Occupational
Personal satisfaction and enrichment derived from one’s work.

Physical
Recognizing the need for physical activity, diet, sleep, and nutrition.

Intellectual
Recognizing creative abilities and finding ways to expand knowledge and skills.

Communication among mental health consumers, professionals, and primary care providers about health information is essential to overall wellness.
