College students drink, binge drink, and engage in heavy alcohol use more than young adults of the same age who are not in college.

In 2020, 48% of full-time college students ages 18 to 22 used alcohol in the past month. By comparison, 42% of young adults ages 18 to 22 who were not enrolled in college full-time used alcohol in a given month. *

To reduce underage, binge, or heavy drinking on your campus, host a Communities Talk activity or join the social media conversation using #CommunitiesTalk.
