Using Prescription Medicine Responsibly

Have you ever used a friend's prescription medication when you **had a headache**?

Taken a prescription pill to help you **study for an exam**?

If so, you've **abused** prescription drugs.

Risky. Illegal. Potentially harmful. Can lead to addiction. Or worse.
YOU are in control of **YOUR** life and **YOUR** medications.

If you, or a friend, need help – ask for it. You are not alone.
